

**Harrington Park Volunteer Ambulance Corps, Inc.
15 Kline Street, Harrington Park, NJ 07640**

The benefits listed below are provided to all our active members in good standing:

1. **“LOSAP” Retirement Savings** - “LOSAP” is the Length of Service Awards Program. In each year you qualify, the Borough of Harrington Park will contribute to a retirement account in your name.
2. **Free Training** - Including CPR, Basic First Aid, defibrillator usage and emergency vehicle driving. EMT certification is also available for a nominal fee via the New Jersey EMS Training Fund.
3. **"Work" from Home** - Active members are provided a pager. We don't require our members to stay at headquarters while they are on duty, as long as you meet minimum response time guidelines.
4. **Career Development** - Most employers and Colleges look upon applications with EMS experience more favorably.
5. **Federal & State Tax Deductions** - Consult with your accountant about how you can receive federal and state tax deductions by volunteering.
6. **Scholarship Opportunity** - Harrington Park High School Seniors are eligible for the annual Barbara Budininch Scholarship.
7. **Annual Installation & Awards Dinner** - Harrington Park VAC hosts an annual banquet honoring the accomplishments of our members over the past year.
8. **Free Continuing Education Units (CEUs)** - Continued training is provided on a variety of health related topics, several for CEUs at no cost to our members.
9. **The Satisfaction of Helping your Community** - The opportunity to assist your friends and neighbors in their time of need is very rewarding.
